About Company

Our HVACR division was inaugurated in 2024 in Dubai, driven by great determination and ambition to explore the vast scope of HVACR services across all GCC countries.

With an unwavering commitment to excellence, we take immense pride in meeting our clients' requirements and achieving 100% satisfaction in every sector we operate in.

Founded with the vision of becoming leaders in Facility Management and Refrigeration and Air Conditioning Systems, our company is dedicated to providing innovative and efficient solutions in HVACR Electromechanical Engineering, Contracting, & Installation Operations.

Vision, Mission, & Core Values

VISION

Our vision is to become the pioneers in HVACR trading and technical engineering services across the GCC, setting new benchmarks for innovation, quality, and excellence. By delivering cutting edge solutions and unmatched service, we aim to create lasting value for our clients while contributing to the progress and sustainability of the industries we serve.

MISSION

We believe businesses can grow ethically and succeed with integrity. Our mission is to provide excellent service in a customer-focused environment, driven by our skilled and dedicated team. We aim to expand across the GCC by delivering on our commitments to clients on time, without compromising on quality, health, safety, or environmental standards.

Why Choose Us

At BCTS CO LLC, we are committed to excellence and innovation, ensuring our clients receive the best possible service.

We Take Pride in Our Core Values

01 Quality & Commitment

We are dedicated to delivering top-notch services and solutions, ensuring excellence in every aspect of our work while staying true to our commitments.

02 100% Customer Satisfaction

Our clients are at the heart of everything we do. We aim to exceed expectations by providing personalized and reliable services that meet their unique needs.

03 Teamwork

Collaboration and mutual support drive our success. Our team works together seamlessly to achieve shared goals & deliver exceptional results.

04 Ethical Business Practices

Integrity is the foundation of our operations. We conduct business with honesty, transparency, and respect for all stakeholders.

Building strong, long-lasting partnerships with clients and industry stakeholders is central to our mission.

Timely Service Delivery

Our streamlined processes and skilled team enable us to deliver projects on schedule without compromising on quality or attention to detail.

Quality and Safety

We uphold the highest standards in quality, health, safety, and environmental practices, ensuring a secure & sustainable future.

Latest Technology

We stay ahead by adopting the latest technologies in HVACR, ensuring that our solutions are efficient and reliable.

Our Core Services

We are a trusted leader in providing comprehensive HVACR (Heating, Ventilation, Air Conditioning, and Refrigeration) solutions, catering to the unique needs of industrial, commercial, and marine sectors.

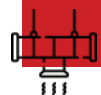

Air Conditioning

Air conditioning solutions tailored to client requirements for comfort and efficiency.

Annual Maintenance

Regular and thorough maintenance to prolong system life and reduce breakdowns.

Ducting and Cladding

Expertly crafted and installed ductwork and protective cladding for HVAC systems.

Industrial, Commercial, and Marine Solutions

We offer customized solutions tailored to diverse applications and environmental conditions. With a strong commitment to quality, safety, and environmental standards, we take pride in delivering exceptional services that exceed client expectations.

Installation

Professional installation of HVAC systems to ensure proper functioning and performance.

Design

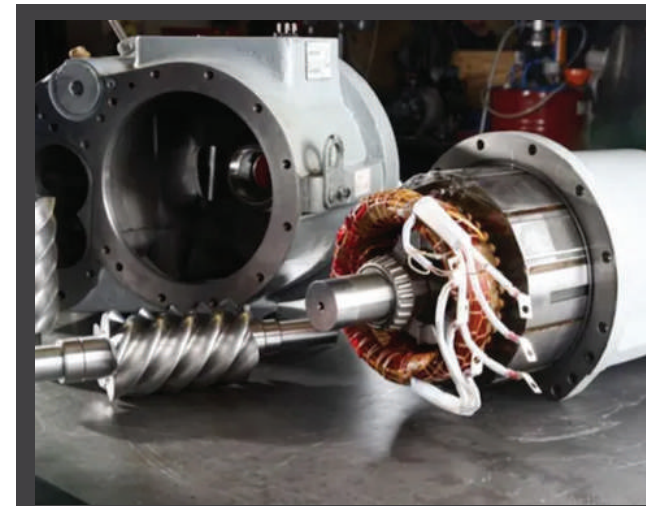

Customized HVAC system designs optimized for energy efficiency and client needs.

Commissioning

We are specialized to ensure systems are fully operational & meet performance expectations.

Specialized Services & Products

Compressor Overhauling

Inspection, repair, & testing of compressors to restore efficiency & reliability.

Heat Exchanger Services & Repair

Cleaning, repair, & maintenance to enhance heat transfer efficiency.

Condenser Coil Replacement

Maintenance & servicing to optimize cooling performance

Centrifugal Chiller Services

High-quality replacements for seamless system operation.

Chiller Commissioning

Mechanical & electrical commissioning for all branded chillers

Replacement & Commissioning of Compressors

Expert services for compressor replacement and commissioning.

Specialized Services & Products

■ VRF Systems Servicing & Commissioning

Energy-efficient cooling & heating solutions servicing & commissioning.

■ Plate Heat Exchanger Replacement and Servicing

Professional replacement & servicing of plate heat exchangers.

■ Retrofitting & Refurbishments

Upgrading existing systems for improved functionality and efficiency.

■ Metal Works and Structures

Fabrication & installation of HVAC related metal works and structures.

■ Spare Parts Sales, & Services

■ Ammonia Refrigeration Plant

■ HVAC Plumbing

■ BMS Automation

■ HVAC Fabrication

■ Air Driers

■ Gas Pipeline Works

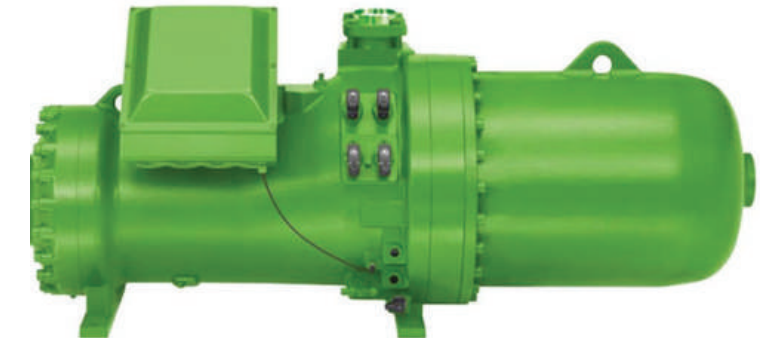

■ Chilled Water Pipeline Works

■ Heating, Ventilation, & Air Conditioning (HVAC) Engineering Services

■ Kitchen Equipment Chiller

■ Motor Winding

■ Compressor Stator Rewinding

Health, Safety, & HSE Policy

At BCTS CO LLC, we prioritize the health, safety, and well-being of our employees, clients, and the environment. Our HSE policy is built on the following key principles:

We are dedicated to creating a secure and compliant work environment by adhering to the highest safety standards and regulations.

Safety First

Sustainability

We are dedicated to creating a secure and compliant work environment by adhering to the highest safety standards and regulations.

We are dedicated to creating a secure and compliant work environment by adhering to the highest safety standards and regulations.

Risk Assessment

Serviceable Brands

We partner with leading global brands to provide top-quality HVACR equipment and solutions. These brands represent innovation, reliability, and excellence, ensuring that our clients receive the best products for their projects.
